Hello!

The Northern Music Program is proud to be named one of the "Best Communities for Music Education"!!

This achievement was accomplished through the hard work of our students and music directors and the support of our amazing community. The Northern school district has the distinction of sitting in a community that provides continual support and commitment to music education.

The Northern School District continues to support our music programs, but costs continue to increase and we find ourselves struggling to raise the funds to provide high quality programs to all of our students from Kindergarten to Grade 12.

The Northern Music Boosters established a business sponsorship program to support music students in the district. *One hundred percent (100%) of your donation goes to programs supported by the Music Boosters and all donations are tax deductible!!*

The goal of the Norther Music Boosters is to provide each student involved in a music activity the best possible experience. With your sponsorship we will be able to do this! You will also be recognized as a SPONSOR of our programs, thus increasing your visibility within the community while greatly benefitting the music students at Northern.

Please show your support and become a Northern Music Sponsor. Enclosed is the 2018-19 Sponsorship Form. Please complete the enclosed form and returning it by **August 3, 2018 to** allow us time to recognize your support**.** We consider you a valued member of our music family and your consideration is greatly appreciated.

Sincerely,

Carrie Allen, President
