### What are Student Accounts?

A student account is a fundraising account managed by the NMB. When your child participates in various NMB fundraisers, a portion of the money in placed in their individual account. It can be used for accessories, and music department trips (Disney 2026, Wildwood). You can start accounts in elementary and middle school and they will follow your student through high school.

Money earned goes directly to **Student Account**. Email [Kale Stone](#) to get added to the distribution list.
