July 2024

Hello!

Did you know that music education can help students in many ways, including academic performance, brain development, and emotional well-being? It's true! Youth who participate in music programs tend to get higher grades, have improved literacy, and are more likely to graduate. Young children who take music lessons typically show enhanced brain development and improved memory over the course of a year. And music education can help students develop skills and competencies to work out their emotions and strengthen connections to their school and community.

The Northern York County School District is blessed to have a wide variety of top-notch music programs and activities in its schools. While the District continues to support music and performing arts, rising program costs quickly outpace funding levels. To continue offering high quality programs for all students Kindergarten through Grade 12, **we need your help to raise \$40,000 to supplement District funding for the 2024-25 academic year.** Your donation will help fund: supplemental professional staff/talent for marching band, musical choreography and costuming, and pit orchestra; music stand storage racks for elementary students; summer music lessons for District students; registration fees for choral field trips to sing at professional sporting events; expenses for Elementary, Middle School and High School Musical productions, including *Moana, Jr.* and *Matilda, Jr.*; and much more!

Northern Music Boosters has established a business sponsorship program to support music students in the district. **One hundred percent (100%) of your sponsor support goes to programs supported by the Music Boosters, and your support may be tax deductible!**

Northern Music Boosters' goal is to provide every student involved in a music activity the best possible experience. **With your sponsorship, we can do this!** You will be recognized as a sponsor of our programs, increasing your visibility within the community while benefiting all Northern music students.

Please show your support and become a Northern Music Sponsor! Enclosed is the 2024-25 Sponsorship Form. Please complete the form and return it with your check payable to "Northern Music Boosters" by **Friday, August 2, 2024**, to allow us time to recognize your support. We consider you a valued member of our music family, and your consideration is greatly appreciated.

Sincerely,

Kelly Falck, President
