June 2026

Hello!

The Northern York County School District's Music Program is proud to be recognized once again as one of the country's "Best Communities for Music Education" by The NAMM Foundation! This award celebrates qualifying schools for their exemplary dedication to music education and their ongoing efforts to ensure equitable access to music learning as part of a well-rounded education.

Music education helps students in many ways, including academic performance, brain development, and emotional well-being. Youth who participate in music programs tend to get higher grades, read better, and are more likely to graduate. Young children who take music lessons typically show enhanced brain development and improved memory over time. And music education can help students develop skills and competencies to work out their emotions and strengthen connections to their school and community.

Northern is blessed to have a wide variety of top-notch music programs and activities in its schools. While the District continues to support music and performing arts, rising program costs quickly outpace funding levels. To continue offering high quality programs for all Northern students, **we need your help to raise \$50,000 to supplement District funding for the 2026-27 academic year.** Your donation will help pay for: professional staff and services to support marching band and pit orchestra; summer music lessons for District students; chorus field trips to sing at professional sporting events; new equipment for our marching band and percussion ensembles; expenses for Northern musical productions including *Finding Nemo, Jr.* and *Aladdin, Jr.*; and much more!

Northern Music Boosters has established a business sponsorship program to support music students in the district. **100% of your sponsor contribution goes to programs supported by the Music Boosters, and your support may be tax deductible!**

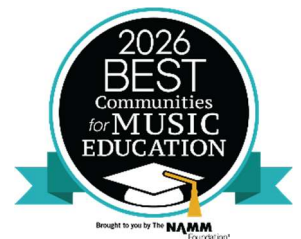

Our group's mission is to provide every student involved in a music activity with the best possible experience. **With your sponsorship, we can do this!** You will be recognized as a sponsor of our programs, increasing your visibility within the community while benefiting all Northern music students.

Please show your support and become a Northern Music Sponsor! Enclosed is the 2026-27 Sponsorship Form. Please complete the form and return it with your check payable to "**Northern Music Boosters**" by **Friday, July 31, 2026**, to allow us time to recognize your support during the upcoming football season. We consider you a valued member of our music family, and your help is greatly appreciated.

Sincerely,

Don Todt, President
