

NMB PARENT DONATION PROGRAM **SIGN UP FORM**

Thank you for your support of our NMB Parent Donation Program! Since the Northern Music Boosters is registered as a 501c3 non-profit, tax deductible donations can be made to the organization at any time. Your donation checks will be registered throughout the calendar year. In January, a record of your donations will be sent to you for your tax purposes.

Also, there will be additional fundraisers sponsored by the NMB throughout the year. Please do not be offended if your student brings them home! It is simply easier for the directors' to hand one out to each student! If you do not wish to participate, just trash it! However, there may be something that you do wish to do. Those that may be of particular interest are fundraisers where the business is giving up part of their profit to NMB without any add on cost to you such as Little Caesars, Hoss's, Gift Cards etc.

Please realize that this program is not in lieu of volunteer hours. There are still man hours needed to provide opportunities for our students to enjoy!!

Please fill out the bottom of this form, detach and return. If you have any questions please contact Andrea Atkins at 870-8872 or by email at andreaatkins@northernmusic.org Thank you!!
