July 2023

Hello!

The Northern Music Program is proud to have been named one of the “Best Communities for Music Education” for the past 7 years! This achievement was accomplished through the hard work of our students and music directors and the support of our amazing community. The Northern School District has the distinction of having a community that provides continual support and commitment to music education.

The Northern School District continues to support music and performing arts in our schools, but program costs continue to increase. To continue offering high quality programs for all students Kindergarten to Grade 12, **we need to raise \$40,000 to supplement district funding for the 2023-24 academic year.** A few specific uses of these funds include purchasing a new equipment trailer to use for marching band and indoor performing arts programs, music stands for elementary students, summer music lessons, a Broadway field trip, and support for Elementary, Middle School and High School Musical productions, featuring *Frozen, Jr.* and *Mary Poppins*.

The Northern Music Boosters has established a business sponsorship program to support music students in the district. **One hundred percent (100%) of your sponsor support goes to programs supported by the Music Boosters and your support may be tax deductible!**

The goal of the Northern Music Boosters is to provide every student involved in a music activity the best possible experience. **With your sponsorship, we can do this!** You will be recognized as a sponsor of our programs, increasing your visibility within the community while benefitting Northern music students.

Please show your support and become a Northern Music Sponsor! Enclosed is the 2023-24 Sponsorship Form. Please complete the form and return it with your check payable to Northern Music Boosters by **August 31, 2023**, to allow us time to recognize your support. We consider you a valued member of our music family, and your consideration is greatly appreciated.

Sincerely,

Shelly McCartney, President
